Three general meetings were held September 19, October 10, and November 7, 2020. All were held through Zoom.

The September meeting was more of an introduction to Zoom, plus a social gathering. Members were given the opportunity to share how they had been doing since the COVID-19 pandemic started.

The October and November meetings were regular membership meetings. Both were nearly four hours long. The election for 2021 officers was supposed to be held at the November meeting. However, the meeting was adjourned before the election could be held.

The election was finally held December 5 with the assistance of Kim Bianco Majeri, the State Legislative Affairs Coordinator for NAD. She acted as both facilitator and parliamentarian for this meeting. She did a tremendous job, and I am grateful to her. Tom Dowling was the nominations chair and Pat Beech handled the polls.

The new officers for 2021 are:

- President—Jamie Berke
- Vice President—Melanie Williams
- Secretary—Jeanne Lavelle
- Treasurer—Robert Goodwin
- Members at Large—Paul Daniels, Joe Duarte, Jill Moebus
